KEEP CONNECTED LUNCH AND LEARN

**DECEMBER 8, 2021
12:00PM - 2:00PM**

Keep Connected is a research-based program from the Search Institute that gives parents and youth an opportunity to learn about the keys to positive family relationships during the transition through adolescence and beyond. Parents and youth come together in engaging new ways to stay connected as youth grow up and become more independent,

Please join Camp Fire Sandusky County for this free lunch and learn event to allow you to engage in the program and understand the benefits for those families you serve!

Lunch

Experience a shared meal while making connections with other community partners

Learn

Learn what Keep Connected is and how it can deepen the relationships of the families that you serve.

Developmental Relationships

Practice using developmental relationships to strengthen connections between youth and caretakers.

Share Connection

Give the gift of ongoing relationship building to the youth and adults in your community.
