

# Camp Fire Summer Camp - APPLICATION AND PARENT PERMISSION FORM- 2022

(Please complete this application in its entirety)

Please note we are in the process of updating our registration systems. This registration form is a temporary platform for 2022 until our permanent system is in place. This is a significantly shorter form, and you will be required to submit additional information once our new platform is complete. This form will just secure your child(ren) place in camps up until the new platform information is sent out and released to you. All camp options are week long options and are for grades K-6. Camp Fire is an ODJFS licensed Child-Care Program additional forms will be required by ODJFS if you have not attended Camp Fire Programming in the last year. The forms will be accessible for download/upload in our new system. Thank you for working with us to ensure we have systems in place which will hopefully help alleviate some of the burdensome paper work on your end as well! We look forward to your child(ren) attending Camp This Summer!
